

Stained Glass Window Dedication

In June 2008 the Church of the Ascension welcomed Bishop Brian Germond (Bishop of Johannesburg) as a special guest and preacher. Bishop Brian dedicated the new stained glass window in the Ascension Chapel depicting 'Jesus and the Children'. This window was designed and created by Dale Ford, Glassworks Stained Glass in Southern Ontario.

In the photograph Bishop Germond and John Howard bless the new window which was given as a memorial and a thank offering by many parishioners.
