### THORNELOE LECTURE:

#### **Beyond the "Evolution" vs. "Creation" Debate**

**Laurentian University, October 24, 2014, 7:30 PM**

Are there only two positions on origins: evolution or creation? This presentation is an introduction to terminology, science-religion dialogue, and various views on origins— young earth creation, progressive creation (old earth creation), evolutionary creation (theistic evolution), deistic evolution, and atheistic evolution.

The public is cordially invited to attend a free public lecture that explores science, religion and the question of human origins. Dr. Denis Lamoureux is Associate Professor of Science and Religion at St. Joseph's College at the University of Alberta. He will be delivering a lecture entitled "Beyond the 'Evolution' vs. 'Creation' Debate," Friday, October 24, 7:30 p.m., Lower Fraser Auditorium, Laurentian University.

On Saturday, October 25, Dr. Lamoureux will be leading three workshops at Thorneloe University on the Laurentian Campus: "Intelligent Design in Nature: Delusion or Divine Revelation?" (9:30 AM); "The Bible & Ancient Science" (11:00 AM); and, "Was Adam a Real Person?" (1:30 PM). Workshops cost \$10 each and are payable at the door.
