To the parents of our young children, may we suggest.....

Relax! God put the wiggles in children; don't feel that you have to suppress it in God's house. All are welcome! Remember that the way we welcome children and youth in church directly affects the way they respond to the Church, to God and to one another. We want our children and youth to know that they are just as much at home in this house of worship as everyone else is. We do have a children's program and also a nursery at the 11am service with dedicated and screened volunteers. If you find it too difficult to keep your young children in the service during 9am you are welcome to take them to the nursery in the Upper Room. If you have to leave the service altogether, please come back.....Jesus said, "Let the children come to me."
