

The Easter Vigil begins with darkness. It's the darkness of our world, and the darkness in our hearts.

As the service progresses we realize the tomb is empty. There is Light in the midst of our darkness. We're fed by the Word and given new life in the waters of baptism. We eat his Body and drink his Blood and receive the life in him that he promises. Alleluia, Alleluia!

Join us as we make the  
transition from darkness to light .
