DID YOU KNOW: That members of your Deanery Executive are here to help with various tasks? These tasks range from building inspections, liturgical items, administrative items, building/construction projects etc. The third position we'll focus on is that of Program Associate.

Our Deanery Program Associate is Marion Collinson.

When Marion was first hired as the PA it was just as the Assessment Process was just about to begin. The majority of time then was spent working with the Assessment Team members as each parish moved through the process. With the completion of the Assessment process Marion's job has changed focus to become more administrative. She is the Secretary for Deanery Council, puts together this Deanery Digest each week, and assists with some other administrative functions in the Deanery as required. She is also available to assist with planning and running of deanery events, create posters for events etc. etc.

FROM THE DIOCESE OF ALGOMA FACEBOOK PAGE: Please pray for all who gather today until Friday for Provincial Synod, especially the delegates from Algoma. The Synod takes place in Toronto at St. Paul's, Bloor Street.
