**Welcome to our worship** - it's good to have you here with us. If you are visiting or here for the first time..... The Anglican Church teaches that all that are baptised in any Christian tradition are welcome to receive the sacrament at the time of communion. It is God's invitation to the table, if you feel so moved you are invited and welcomed.

If you do not wish to receive communion but would like a blessing, please come forward and cross your hands over your chest.

If you do not wish to drink wine from the chalice, please feel comfortable to receive the bread alone. Simply cross your arms over your chest so the Eucharistic assistant knows.

This week, November 16th, it's our turn to provide those lunches. Thank you to everyone who signed up to help bring something nu-

tritious for the Barrydowne College students. Please ensure that your items are at the church by 9am on Wednesday morning. The Christmas gift tags for gifts for the students at Christmas time are hanging on the tree in the entrance. Your gift will brighten a student's Christmas.

### **Insurance for Third Party Users of the Church Facilities.**

This week at the Diocesan Executive Committee meeting representatives from Marsh Canada and Ecclesiastical Insurance companies were present to give us an update on our insurance policies. There is a change in their policy around third party users of the church for insurance purposes. Church sponsored groups pay no extra insurance as it's converted in the policy. All other users including parishioners hosting parties or showers will be required to pay to use the church for their private event. The rate for a single use is \$33 (for up to three days), or \$85 for a whole year. If you are planning to use the church/hall/board room for a private family function or for a non-church sponsored event, please speak to Joanie so that she can arrange the necessary application for you. Applications are done online.

### *A Tickle for your Funny Bone*

---

Seen on a birthday card:

Forget about the past, You can't change it.

Forget about the future, You can't predict it.

Inside:

Forget about the present, I didn't buy you one.

-----

A sign posted on the wall of an Army mess read:

"Don't Waste Food -- Food will win the war."

Beneath someone had written: "That's fine, but how do we get the enemy to eat it?"

-----

Two cab drivers met. "Hey," asked one, "why did you paint one side of your cab red and the other side blue?"

"Well," the other responded, "when I get into an accident, you should see how all the witnesses contradict each other."
